## \$100 Reward. \$100.

The readers of the Sun will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O.

## Holbrook Happenings.

Holbrook has been very quiet of late, although there has been a good many cattle shipped and consequently many of the boys in off the ranges, as well as buyers from the East. Mr. Henry Huning shipped 23 cars of nice big steers today. They go to Mr. McCorkle of Superior, Neb. The Wash Co. have about 800 head which they are holding near here waiting for cars. They are sold to the same party. Hart & Campbell have a few loads here also. Theirs are not sold yet but will likely go to California. There has been great difficulty in getting stock cars here. Mr. Huning held some of his steers eight weeks, most of the time on account of no cars. Mr. Chas. Zeiger shipped four cars of steers from Navajo to a pasture in Kansas last week. Gardiner and Gillies have several hundred on the way in here for shipment. Most of the steers that have been sold here of late have brought \$16 to \$16.50 for three-year-olds and \$14 for two-year-olds and \$9 for yearlings.

Mr. F. M. Zuck has gone on a business trip to Denver and upon his return he will open the stone hotel. Mrs. Zuck is back from her California visit.

James Wilson and good looking, good natured P. M. is back from Ohio, where he went to see his "kin" and to see that McKinley had a fair show. We did expect him to bring a wife back but he didn't.

We have not had any snow as yet this season but the mercury got down a little lower last night than at any time last winter. Stock men are complaining of its being so dry cattle can't get back on the fresh feed as yet. Cattle are pretty thin and unless the same power that is said to temper the wind for the shorn lamb does something in the way of fixing the "bog" for weak cows there is a lot of them that won't be "in it" at the next round up.

Holbrook isn't booming but it is prosperous and steadily improving, and all here seem to enjoy life as they go. CACTUS.

## A Coming Event.

Flagstaff Lodge No. 7, F. & A. M. are preparing to give their invited guests a splendid time on Christmas. On Christmas eve the Fort Wingate band will give a concert in Babbitt's hall. There are nine pieces in their orchestra and the reputation of the band insures our people a musical treat. On Christmas day at 4 o'clock p. m. the public installation of the officers elect will take place. In the evening a grand ball and supper will be given. Nearly one thousand invitation have been sent out, and an attendance of several hundred couple is expected. The ball will be given in Babbitt's new hall, the largest in the town. The supper will be given at the Bank Hotel and will be under the supervision of Thos. J. Colter the well known caterer. The affair will be the leading event of the season, and a good time is assured all who are fortunate enough to attend.

Another storm brewing. Only 50 cents admission to the lecture on China.

J. A. Pitts is for the present employed at the depot.

There are a good many applications for pension from Arizona at present, and it is evident that a good many old soldiers have drifted to this territory.

The Gallup Gleaner says that if Flagstaff wants a dramatic club that place will gladly furnish a manager, who is now out of a job as their dramatic club is defunct, and badly so.

BRAY,

Course.

I am plodding along and taking life just as easy as I can. Am selling good straight goods for cash at a moderate profit, and I find it a first-rate way to do business and keep my trade. I don't aim to become rich in one year. Have no particular extra bang-up bargains to offer; no old stock on hand; no wife at present (I am sorry to say) to blow in my wealth (she's visiting her relatives east.) No book accounts to worry over. If there is anything that will fret a merchant and keep him full of grief, it is old book accounts against Tom, Jack and the Devil. Tom's account is good when it rains; Jack's when you get it, and the Devil's is no good, rain or shine.
